Submitted by admin on Sat, 08/22/2009 - 11:09

Agilopolis Community Conference is back after holiday and only few weeks away!

This time two-day long and with guests that brings knowledge in the area of **agile implementation in organisations**.

During first day our experts will share with you best practices of Agile.

Roman Pilcher comes to us from London with two lectures:

- "Owner-related techniques"
- "Grooming the Product Backlog"
